

## Consistency with National Qualifications Framework

Level 4 - Associate Diploma or Equivalent

**Institution**: Institution

College/Institute: College

Qualification awarded (according to Graduation Certificate): Qualification Title

The NQF-KSA constitutes a comprehensive and uniform structure for building, organizing, and categorizing qualifications into levels based on learning outcomes. Furthermore, it is a functional tool to bridge recognized national or international qualifications; (Educational and Training), with the levels of the National Qualifications Framework in Saudi Arabia.

For further information, refer to the (National Qualifications Framework).
